

JFR RANCH CO. LTD. — MEDICINE ROOM CHECKOUT

Write the **number of bottles** you take in the box under the drug. Sizes are printed — if you take a different size, write it in the box. Returns: write **R** and the count.

Month _____ Sheet _____ of _____

[illegible]

One line a man, each time he draws. Took two sizes of the same drug? Two boxes. Not on the list? Write the drug and the size in a blank header, then the count below it.

Entered in the app by _____ date _____
